

OPTiM Bundles MCM^{※1} Solution, “Optimal Biz Docs,” into its No.1 Share^{※2} MDM Solution^{※3}, Optimal Biz, Free of Charge

TOKYO, - OPTiM, a leader in providing IT support solutions that enable creativity, collaboration and convenience while online, today released “Optimal Biz Docs,” which is bundled into its MDM^{※3} free of charge. With Optimal Biz Docs, users can access to corporate data and share documents with their colleagues securely, anywhere, anytime.

Many enterprises introducing smart devices focus on enhancing productivity, speeding up, and sharing confidential information. With “Optimal Biz Docs,” you can securely share files created on PCs with stakeholders who use PCs and other mobile devices.

Management Console for PC

Management Console for Smart Devices

■Main Features of Optimal Biz Docs

- It enables uploading files to a server easily.
- You can set different access privileges to other users based on their authority on Optimal Biz
- Users can be authenticated by existing credentials on Optimal Biz, users do not have to enter their ID/Password over and over again.
- Users can have anywhere-anytime access to corporate data from their PC, smartphone, or tablet

※1 MCM: Abbreviation of Mobile Content Management. MCM is a solution for enterprises, which enables sharing files securely from smartphones and tablets.

※2 According to “ITR Market View: Enterprise / Mobile Management Market 2012,” by ITR Corporation

※3 MDM: Abbreviation of Mobile Device Management. MDM is a tool used to securely manage mobile devices such as PCs, Android devices, the iPhone, and the iPad on a web console.

【Notes】

- There is 1GB free storage limit (Download/Transfer limit is up to 0.5GB/month per user). File sharing is performed through Web browser.
- If you are an existing MDM user, you can start using this function through “Optimal Biz Docs” on Optimal Biz menu. If you do not see such menu, please contact your service provider.

About OPTiM

Based in Tokyo, Japan, OPTiM, provides solutions that reduce support costs for enterprises and is focused on evolving online experiences so that the Internet becomes something that you aren't even conscious of — like the air you breathe. OPTiM's suite of solutions includes setup, diagnostic and marketing tools for NGN and home networks, and also targets mobile devices, routers, TVs, gaming platforms, multifunction peripherals, servers, printers and DVD recorders.
