OPTiM has Received Approval to be Listed on the TSE's Mothers market!

Tokyo (September 19, 2014) - OPTiM, a leading provider of online IT support solutions that enable creativity, collaboration and convenience, proudly announces that the company has received approval to be listed on the TSE's (Tokyo Stock Exchange's) Mothers market, beginning October 22, 2014.

We're very excited to share this great news with all of our loyal customers and friends, and we'd like to thank all of you for your business, your advice and your support.

Under the slogan "We make the Net as simple as breathing", OPTiM's mission is to evolve online experiences to the point that the Internet becomes something you aren't even conscious of, like breathing. To this end, we will continue developing easier and more convenient services for our customers; services that allow everyone to enjoy the creativity and convenience offered by the internet.

We greatly appreciate your continued support!
